

S Smart Money Bonuses may be available for individuals who earn credentials.

Credentials document successful completion of a specific body of content knowledge.

The Center for Child Care Career Development awards three levels of credentials as a way to promote career development for those who educate and care for children in our state. Individuals may enroll at their local technical/community college to take the coursework.

All courses must have been taken since 2001 at one of the 16 technical/community colleges in South Carolina to earn any Early Childhood credential.

To receive a Credential, submit both:

- A copy of your unofficial transcript for the required class or classes, AND...
- Credential Form found under Credentials on the website: www.sc-ccccd.net to the Center for Child Care Career Development.

You do not have to work in child care to receive a credential.

S T.E.A.C.H. Scholarships may be available for individuals currently working in child care. For more information contact a T.E.A.C.H. counselor at 864-250-8581 or online at www.sc-ccccd.net.
