C = Compliant with Regulation - N = Noncompliant with Regulation

No violations noted at the time of visit ☒

Suggested Standards are mandated requirements for Family Child Care Home operators who elect to be licensed

Supervision: Care provided to an individual child or group of children. Adequate supervision requires awareness of and responsibility for the ongoing activity of each child, knowledge of activity requirements and children's needs and accountability for their care. Adequate supervision also requires the operator and/or staff being near and having ready access to children in order to intervene when needed.
