

South Carolina Program for Infant/Toddler Care

Get free quality training to help increase your ABC score!

The South Carolina PITC Network is a partner of the ABC Program and offers *FREE* on-site training and coaching to infant and toddler teachers to help you improve your ABC score! Our certified specialists will work with your child care program to provide comprehensive support services including:

- DSS Certified Training (earn all required training hours for the year!)
- Director/Administrator Support
- In-classroom or in-home (FCC) coaching
- Team teacher meeting facilitation
- Reflective action planning

Eligibility

Our services are available to child care centers or groups of at least five family child care providers who serve children between the ages of birth to 36 months and are enrolled in the ABC Program. See the enclosed flyer to learn more about joining the ABC Program. It's easier than you might think!

Apply for SC PITC services!

To apply for one of our Infant/Toddler Specialists to work with your program, visit our website and download an application or call the number below and we'll fax an application to you!
