

TITLE 63
SOUTH CAROLINA CHILDREN'S CODE
CHAPTER 13
Childcare Facilities

ARTICLE 1
GENERAL PROVISIONS

§ 63-13-10. Purpose.

(A) The intent of this chapter is to define the regulatory duties of government necessary to safeguard children in care in places other than their own homes, ensuring for them minimum levels of protection and supervision. Toward that end, it is the purpose of this chapter to establish statewide minimum regulations for the care and protection of children in childcare facilities, to ensure maintenance of these regulations and to approve administration and enforcement to regulate conditions in such facilities. It is the policy of the State to ensure protection of children under care in childcare facilities, and to encourage the improvement of childcare programs.

(B) It is the further intent of this chapter that the freedom of religion of all citizens is inviolate. Nothing in this chapter shall give any governmental agency jurisdiction or authority to regulate, supervise, or in any way be involved in any Sunday school, Sabbath school, religious services or any nursery service or other program conducted during religious or church services primarily for the convenience of those attending the services.

(C) Nothing in this chapter shall create authority for the Department of Social Services to influence or regulate the curriculum of childcare facilities.

However, notwithstanding the entry of a pardon, an operator or the department may consider all information available, including the person's pardoned convictions or pleas and the circumstances surrounding them, to determine whether the applicant is unfit or otherwise unsuited for employment or to provide caregiver services.

(B) A person who has been convicted of a crime enumerated in subsection (A) who applies for employment with, is employed by, or is a caregiver at a childcare center, group childcare home, family childcare home, or church or religious childcare center is guilty of a misdemeanor and, upon conviction, must be fined not more than five thousand dollars or imprisoned not more than one year, or both.

(3) However, a person may be provisionally employed or may provisionally provide caregiver services after the favorable completion of the State Law Enforcement Division name and date of birth-based background check and the SLED or Federal Bureau of Investigation fingerprint-based background checks, until such time as the remaining fingerprint-based background check and the Central Registry check are completed if the person executes a sworn statement on a form provided by the department that he or she has not been convicted of any crime enumerated in this section and that he or she is not on the Central Registry for having perpetrated abuse or neglect upon a child. A person provisionally employed must be directly supervised by, and in the presence of a nonprovisionally employed person at all times when providing direct care to children.

(4) Provisional status will be repealed if the requests for the Central Registry check and SLED and FBI fingerprint-based background checks are not sent by facsimile, mail, or another manner approved by the department by the end of the next business day after the person was employed.

Authority to employ persons in provisional status must remain suspended while the appeal is pending. Upon disposition of the appeal in favor of the appellant, authority to use provisional status must be restored.

(6) The results of the fingerprint-based background checks are valid and reviews are to be repeated every five years. The fingerprint checks must be repeated if a person is not employed by or does not provide caregiver services in a childcare center, group childcare home, family childcare home, church or religious childcare center, or childcare provider that delivers services for which Child Care and Development Fund financial assistance is provided for six months or longer.

(7) For provisional employment under this section, the department must complete the Central Registry check within two business days of receipt of the request. For other employment under this section, the department must complete the Central Registry check within five business days of receipt of the request. If the department notifies the provider that research into other records is required, these deadlines may be extended for up to ten additional business days.

If a person is not employed or does not provide caregiver services for six months or longer, then the fingerprint reviews must be repeated. The fingerprint reviews required by this subsection are required to be repeated every five years.
